DR. JOEL Q. MABALHIN

Head, Department of Teacher Education
College of Education
Visayas State University
Visca, Baybay City, Leyte

Greetings!

It is my desire to do public service. I am reaching out to you with this letter to express my interest in applying for a job offering published by your department.

I graduated cum laude with the degree Bachelor of Secondary Education – Filipino along with basic and advance military science courses. I earned my license from the Professional Regulation Commission as Licensed Professional Teacher. As for the moment, I am pursuing my graduate studies with the degree Master of Arts in Education – Filipino Language Teaching at Cebu Normal University – Main Campus with 15 units already completed. As a reservist, I am currently assigned at the Alpha Company of 804th Ready Reserve Infantry Battalion.

For my professional experience, I recently served my post as a part-time instructor in your department for three semesters, teaching subjects under Professional Education, Special and Inclusive Education, and majors in Filipino. With this prior experience, I learned a lot from the working environment and the setup of the new normal. The wisdom provided by my seniors has contributed greatly to my professional development.

Allocating the ample time in reading this letter is already a great deal for me. If there is any progress on my interest for this position, please don't hesitate to contact me. My contact information is provided for your reference.

Best wishes and more power,

NICKO M. APOSTOL
