PROFILE

Ready to utilize my teaching skills and passion to the students. Adept in creating a comprehensive and well rounded syllabus that meets education requirements and standards. Able to act as a facilitator of powerful learning experiences. Aimed at supporting a student academically, emotionally and socially.

WORK EXPERIENCE

Practice Teacher Intern
2022-2023

- Established positive relationships with students, parents, fellow teachers, and school administrators.
- Tracked attendance, assignments, grades, projects, and class participation for all students.
- Developed lessons, activities and material to cover all required course material.
- Administered tests, quizzes, and other assignments to gauge students' learning and knowledge of course materials.
- Delivered clear, informative lectures on subject matter
- Adapted teaching methods and instructional strategies to promote learning in students of differing skill levels.
- Established and communicated clear learning objectives to foster student progress and academic performance.
- Explored foundational learning concepts with students through hands-on activities, videos and class discussion.
- Helped students learn to persevere with challenging tasks and build resilience for later educational efforts.
