Ma'am,

One member of the faculty and staff of the Institute of Human Kinetics informed me that you are hiring for a part-time PE instructor. I want to be considered for this position.

I graduated Bachelor of Secondary Education Major in Music, Arts, Physical Education, and Health (MAPEH) last June 2019. I also passed the Licensure Examination for Teachers last September 2019 with an average of 79.00%. During my college days, I underwent practice teaching which trained me to become an effective and efficient teacher. Last semester, SY:2022-2023 I was hired as a part-time instructor, and everything was smooth sailing since I had already experienced a face-to-face setting. I am very proud to say that my experience last semester gave me the strength still to renew my contract with the Institute of Human Kinetics because the institute believed in me and that I could provide something out of my ability, skills, and knowledge that can also help the institute to be more powerful in any circumstances that may happen shortly. I want to be part of the Kinetika team. The team helped me a lot to be a better version of myself. God Bless and more power Team Kinetika!

I shall be very glad to come for an interview at your most convenient time.

Very yours truly,

  
MICHAEL ANFERNEE A. GORRE
