Dear **Ms. Lor**:

Greetings from the Regional Gender and Development Committee (RGADC) VIII!

We are glad to inform you that you are among the shortlisted applicants of the Eastern Visayas – Regional Pool of GAD Resource Person (EV-RPGRP) based on the preliminary assessment conducted by the RGADC VIII Technical Working Group (TWG) for EV-RPGRP certification.

Thus, you will proceed to the next step of the certification process, which is the participation of the **Levelling Session** to be spearheaded by the Philippine Commission on Women (PCW) on **25-27 October 2023** in **Metro Manila**.

The PCW will cover the hotel and food accommodation of all confirmed participants for the duration of the activity. The travel expenses and allowable daily subsistence allowance are expected to be shouldered by the participants or they may request their respective agencies to consider their participation in the leveling session as official business so they can claim travel and transportation allowance from their respective agencies.

See attached PCW letter invitation and RGADC VIII endorsement of shortlisted applicant to the PCW.

The RGADC VIII Secretariat will assist you on your registration concerns and other matters for the successful journey of your EV-RPGRP application. You may contact the RGADC VIII Secretariat through Ms. Siali L. Cosares at mobile number 09161125046 and email rdc8ragdc@gmail.com.

Thank you very much.

Very truly yours,

CELERINA T. BATO, CESO III
Chairperson, RGADC VIII and
Regional Director, DTI 8
