Achievements

Department of Science and Technology Scholar

2019

The DOST scholarship is awarded to talented and deserving students in the Philippines who wish to pursue studies in science, technology, engineering, and mathematics (STEM) fields. These scholarships are highly competitive and are open to students at various levels, including undergraduate, master's, and doctoral programs.

Embracing Our Differences Quotation Award

2022

Embracing Our Differences (a non-profit organization) holds an annual quotation contest. Last February 2022, my quote was among the few (17,413 submissions) selected to be displayed in an art exhibition in Sarasota, Florida.

The quote that I wrote and was selected was "The way you think can change how you act; the way you act can change how others think."

Academic Excellence Award
