DR. SANTIAGO T. PEÑA JR.

College Dean
College of Veterinary Medicine
Visayas State University
Visca, Baybay City, Leyte

Dear Dr. Peña,

Teaching is something I always admired and feel this is one of the noble jobs. It has long been my dream to become an academe since young, so I am excited to provide you with my formal application letter in response to your advertisement.

I am one of the products of your institution. I maintained good academic performance, was a purposive scholar and active leader of several organizations that helped me developed my leadership skills and self-confidence. Your institution provided a stimulating learning environment that motivated my inner strength and abilities, while fostering confidence to achieve my full potentials. With that, I am eager to share these experiences to the aspiring veterinarians to move forward in their careers, to become globally competitive professionals with good ethics.

Currently, I am working as an associate veterinarian for almost 10 months in one of the best veterinary hospitals with advanced equipment in the Visayas. I believe that with my experience in this field, combined with my strong interpersonal skills and work ethic can greatly benefit your educational program.

I am herewith attaching my resume along with the letter for your perusal.

Thank you for the opportunity and I look forward to hearing from you.

Sincerely,

SHEBELLE A. CUEVA, DVM
