

# Rotsen B. Labisoares

## About Me

---

An experienced educator who wants to enhance my expertise in the field of Meteorology and Agricultural and Biosystem Engineering in an academic settings by performing teaching, research, and mentorship. As well as to pursue a refining educational and research experience that equips me with both knowledge and practical skills necessary to address complex atmospheric and agricultural challenges.

## Work Experience

---

November 2016 - July 31, 2024  
Visayas State University  
Instructor I

- Handle lectures and laboratory exercises in meteorology, mathematics, and other physical science courses
- Conduct research in Meteorology and Climatology
- Perform other department-related committees

## Training/Conferences Attended

---

- CY 2024 Research Writeshop at VSU CCE, February 21, 2024
- Rice Machineries Operation Training for ABE Faculty and Laboratory Technicians in Eastern Visayas, October 23-27, 2024
- 2nd PSABE VIII Regional Convention, February 2-3, 2023
- 71st PSABE National Annual Convention, April 25-27 2022 2022
- 2022 Philippine Meteorological Society Annual Convention, March 24-25 2022
- NASA Land Cover/ Land Use Change (LC/LUC) Regional Meeting in the Philippines, May 31 - June 2 2018

## Education

---

MS in Meteorology  
(Candidate)  
University of the Philippines-  
Diliman  
August 2017 - Present

BS in Agricultural Engineering  
Visayas State University  
June 2011 - April 2016

## Skills

---

- R and Python  
Programming
- AutoCAD
- Basic House Wiring and  
Installation

## Language

---

English  
Filipino  
Cebuano
