## PROFILE

Highly motivated and results-oriented Civil Engineer with three years of experience in construction management, two years of design, two years as a university instructor, and one year as a science research assistant. Eager to leverage strong analytical and problem-solving skills to contribute to challenging engineering initiatives.

## WORK EXPERIENCE

### Science Research Assistant

Visayas State University - Main Campus

2024 - 2025

- Analyze soil and rock samples for geotechnical parameters
- Assist in preparing technical reports, research papers, presentations, and policy briefs
- Perform administrative support related to project documentation and data archiving

### Instructor

Dept. of Civil Engineering

Visayas State University

2023 - 2025

- Prepare and deliver lectures, laboratory activities, and assessments in assigned subjects
- Facilitate effective classroom discussions and promote active learning techniques
- Maintain academic records and submit required reports on time

### Lady of Assumption Enterprises Inc.

Site Engineer

2021 - 2022

- Supervise on-site construction activities and ensure work is carried out according to drawings and specifications
- Check and review plans, drawings, quantities, and materials for accuracy and compliance
- Monitor work progress and prepare daily, weekly, and monthly reports
