Dear Dr. Aure:

Greetings!

As a new educator in the field of teaching, it is indeed valuable for my professional and personal development to advance my skills and method of instruction in an academe that values excellence, truth, relevance and integrity. In line with this, it is my great honor and interest to apply as an Instructor (Part-Time) in your institution.

I have achieved my Bachelor's Degree in Secondary Education Major in Science at Visayas State University – Visca, Baybay City, Leyte last August 2022 as Cum Laude. I also passed the recently Licensure Examination for Teachers (LET) Secondary Level last March 19, 2023 with a weighted average of 87.20%.

I have been a part-time instructor in your institution and I learned various knowledge and skills in teaching Physics subjects. With this, I believe that I am ready to take the responsibilities in my work as I have already equipped myself with skills and learning which I have gained through various experiences.

I am hoping that you will give me an opportunity to advance more my knowledge, skills and experience in your reputable institution.
