Dr. Deejay M. Lumanao

Head, Department of Soil Science
Visayas State University, ViSCA,
Baybay City, Leyte 6521- A

Dear Dr. Lumanao,

I hope this message finds you well. I am writing to express my interest in the part-time instructor position at Department of Soil Science. While I am aware that my background may not be extraordinary, I bring with me a genuine passion for learning and a strong determination to contribute meaningfully to your institution.

I am a recent graduate of Bachelor's of Science in Agriculture from the Visayas State University- Main Campus, where I gained a solid understanding on soil science. Though I may not have formal teaching experience, I have always valued the importance of education and the opportunity to make a positive impact on others. I believe that my ability to relate to students, coupled with my willingness to learn and adapt, can help me grow into an effective and dedicated instructor.

Thank you for considering my application. I am willing to work hard, grow, and prove my dedication if given the chance. I would be grateful for the opportunity to discuss how I can contribute to your team.

Sincerely,

Mary Joy C. Escasinas
