**Dr. EDGARDO E. TULIN**

*President*

Visayas State University

Baybay City, Leyte

Dear Dr. Tulin,

Good day! I read with great interest in your Ad. I am applying for **Instructor**. I believe that this position offers the challenges that my education and experience have prepared me to handle such tasks on professional basis.

I am a graduate of Visayas State University-main campus and holds a Bachelor's Degree in Agriculture, Major in Plant Protection (Cum Laude) last April, 2016. Presently I am a candidate to graduate this year with my degree of Masters of Science in Plant Pathology. I'm working currently as an Organizational Development Officer (COS) under the F2C2 program in organizing small farmers in forming clusters to do the collective marketing and earn the maximum profit from their products.

I am enthusiastically dedicated to the work assigned to and very aggressive on attaining good results as to the tasks given to me for the goodness and overall Agri development in our region. In connection to this, I am currently seeking a good position with reputable company that meets my qualification and expectations as a Plant Protectionist and as a Plant Pathologist, where my expertise can really be put into use.

Finally, I am available anytime in order to discuss further anything about the matter. In connection to this, please see attached PDS for your perusal. Here below is also my email, contact address and number in case you are interested in my profile.

Thank you so much for your precious time and consideration and looking forward to hearing from you.

Best Regards
