Student records are confidential and information is released only at the request of the student or of appropriate authorities. During working hours, no student's official transcripts or credits obtained from other institutions and which have been presented to Silliman University for admission or for transfer of credit become a part of the student's permanent record and are accessible only at the request of the student.

The transcript fee is \$30.00 per copy plus \$30.00 for handling of the records. The fee is due at the time the transcript is requested from the Registrar's Office. In addition to this transaction fee, a document stamp worth \$10.00 is required for every release. Extra fees may be charged for postage, attachments and for other costs related to the handling of the records.

Obtaining a transcript signifies that the student is eligible to continue, return or transfer elsewhere. It implies good academic standing and good citizenship and is used synonymously with transcripts. Transcripts for Chemical, Ceramic or Materials Degrees Granted in recognition of research for merit are an honorary award and will be shown on the transcript.

COURSE NUMBERING SYSTEM

Course numbers 1-19 are assigned primarily for freshmen, 20 to 49 for sophomores, 50 to 99 for juniors and seniors. Other numbers refer to first semester courses, even numbers to second semester courses and "N" attached to a number indicates that the course is offered both semesters, and "N" that the course is dropped primarily during summer. A comma between the numbers of a two-unit class (two upper semester) may be taken independently with credit. A hyphen signifies that the first semester course is prerequisite to the second.

Quality points are weighted to show number of hours in this course, that is the number of units is considered in computing graduation averages and honors.

A grade of "In" (Incomplete) indicates that the student has not completed all the essential work for the course. An "In" must be completed within the following term to be returned to which the course was taken, otherwise the grade automatically becomes "F".

The letter "W" shows that the student has dropped a course with the written permission of the Dean or Principal. If a student drops a course without the written permission of the Dean, the grade for the course automatically becomes "F". "W" is recorded when a student officially withdraws from the course but is failing at the time the withdrawal was made.

This is to certify that the student's academic records are personally verified by the University Registrar/Assistant Registrar of Region - Ontario/ Saint University. The Permanent Record will maintain the above-indicated information as sign in the files of the University. The document is not valid without the Official Seal of the University.
