Motivation:			X	
Sense of Responsibility:			X	

PSYCHOLOGICAL APPRAISAL:

Ms. Castil's total score of 32 with a percentile rank of 58 on the IQ test indicates that her ability to solve hard-to-manage problems and figure out relationships under time pressure is classified along the Par level.

Her childlike manner allows her to handle her life's consequences with lightheartedness and positivity. Though she is timid, she is friendly to everyone. She believes that an efficient worker is someone who does his job more than what is expected of him and he enjoys his job. Her coping mechanisms are relaxation and meditation techniques, and also she always prays for guidance.

PSYCHOLOGICAL IMPRESSION:

No Gross and Active Psychopathologies were noted during the interview and testing.

REMARKS: Recommended for the position she is applying for.
