

Unibersidad ng Pilipinas

Mabuhay!

*Alinsunod sa batas ng Republika ng Pilipinas at batay sa rekomendasyon ng Kolehiyo
at pagpapatibay ng Konseho ng Unibersidad, ipinaghaloob ng Lupon ng mga Rehente kay*

Martin Jan Enolva Mercurio

na nakatupad sa mga itinakdang pangangailangan ng Kurso, ang titulong

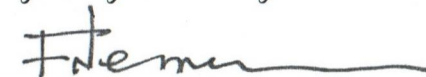

Master of Science in Geomatics Engineering

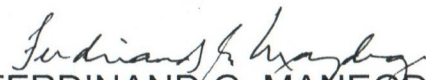

*kasama ang lahat ng mga karapatan, karangalan at pribilehiyo, gayundin ang mga obligasyon at pananagutang kaakibat nito.
Ipinaghaloob sa Lungsod ng Luezon, Pilipinas, ngayong ika-26 ng Hulyo ng taong dalawang libo't dalawampu.*

DANILO L. CONCEPCION
Pangulo ng Unibersidad

ROBERTO M.J. LARA
Kalihim ng Unibersidad

FIDEL R. NEMENZO
Isanselor ng U.P. Diliman

FERDINAND G. MANEGDEG
Dehano ng Kolehiyo ng Inheneriya

University of the Philippines
COLLEGE OF ENGINEERING
Certified True/Xerox Copy

Entrance Data:

Date/Semester admitted 1st Semester, 2018-2019
Category College Graduate
Diploma/Title/Degree B.S. in Geodetic Engineering
High School/College Visayas State University
Date Graduated/Last attended April 11, 2012
NCEE Rating Year Taken
S.O. No.: Date

Name MERCURIO, MARTIN JAN ENOLVA
Student No. 2018-21779 Sex Assigned at Birth Male
Date & Place of Birth December 22, 1989; Antipolo, Rizal
Father's Name Manolo Mercurio
Mother's Name Cecilia Enolva
Degree/Title/Course:
MASTER OF SCIENCE IN GEOMATICS ENGINEERING
(Applied Geodesy), July 26, 2020

UNIVERSITY OF THE PHILIPPINES DILIMAN TRANSCRIPT GUIDE

Student records are confidential and information is released only at the request of the student or of appropriate institutions [provided an authority to release is issued by the student]. "Partial" transcripts are not issued. Official transcripts of records obtained from other institutions and which have been submitted to the University for admission and/or transfer of credit become part of the student's permanent record and are issued as certified true copies with the UP transcript.

Application for transcript of records should be accompanied by a student clearance (UP Form 241). University clearance should be applied for immediately after the last semester/trimester/term of enrolment.

Transcript Entries

Courses taken in UP Diliman, cross-enrolled in other Constituent Units (CUs); Advance Placement Examination (APE), Advance Credits Awarded, and Proficiency Examination in Physical Education (PEPE) appear in the Transcript of Records.

Advance Placement Examination (APE)

New freshmen who qualify for and pass the prescribed advance placement examination in basic courses in the freshman year such as the languages, College Algebra, Plane Trigonometry, and others within one (1) year of their enrolment in the University, shall be given credit for the corresponding subjects in their academic program provided that this privilege is not given for more than six (6) units in any one discipline. These examinations are usually scheduled two (2) weeks before the advanced freshmen registration every first semester.

Holders of the International Baccalaureate (IB) diploma/certificate may apply for advance credit for certain subjects they have taken. However, the total credit that may be granted, including automatic credit, shall not exceed 15 units per subject area.

Proficiency Examination in Physical Education (PEPE)

Proficiency examinations (or credit by examination) in PE courses are given to enable students who are already skillful in one (1) or more sports to acquire advanced units in PE. Any student who passes a PEPE shall be given credit for the corresponding PE course. Students may take proficiency examinations in one (1) or more courses to meet the PE requirements. The examination is given twice a year before the start of every semester.

Validation for Advanced Credits

A transfer student admitted with less than 66 units of work must validate all the courses he/she is applying for advanced credits at the rate of 18 units a semester within a period not exceeding three (3) semesters from the date of admission.

Academic Calendar

The Academic Calendar is divided into two (2) semesters of at least 16 weeks each, exclusive of registration and final examination period. Each semester consists of at least 100 class days. A summer session of 6 weeks follows the second semester. Class work in the summer session is equivalent to class work in one (1) semester.

Effective Academic Year 2014-2015, the first semester begins in August, the second semester in January, and the midyear term in June. Prior to this, the first semester begins in June, the second semester in November, and the summer term in April.

All academic units in UP Diliman operate under the semestral system, except for the Master of Business Administration and the Master of Science in Finance programs of the Cesar E.A. Virata School of Business (CEAVSB), the Master of Management of the UP Extension Program in Pampanga/Olongapo, and the Professional Masters in Tropical Marine Ecosystems Management program of the College of Science which are under the trimestral system.

Special Order Number

The University of the Philippines, the National University by virtue of R.A. 9500, operates under a University Charter. Graduation of students does not require confirmation by the Commission on Higher Education (CHED), thus, the University does not issue a Special Order No. to its graduates.

Authenticity

The copy of the Transcript of Records is an exact reproduction of the transcript on file with the Office of the University Registrar and is considered as a copy of the original when it bears the dry seal of the University and the original signature of the University Registrar or a Security Signature Stamper. The use of the stamper was approved by the Board of Regents at its 1303rd meeting held last 26 November 2014 and implemented effective January 2015.

Any erasure or alteration made on this copy renders the whole transcript spurious and invalid.

Credit Unit

The unit is the semester hour. Most classes taught at the University meet 3-hours a week; these classes carry 48 clock hours of instruction and 3 units of credit.

Each unit of credit is at least 16 semester-hours of instruction in the form of lecture, discussion, seminar, tutorial, recitation, or any combination of these forms. Laboratory work, field work, or related student activity is credited one (1) unit for at least thirty-two (32) semester hours.

As of August, 2019
