One collegiate unit of credit is one hour lecture or recitation each week or a total of 18 hours in a semester. Three hours of laboratory work, drafting, or a shop work each week or a total of 54 hours a semester are regarded as equivalent also to one unit of credit.

The semestral average of a student is computed by multiplying the number of units assigned to a course by the grade earned and the product divided by the total units earned for the semester.

OFFICIAL TRANSCRIPT OF RECORDS

(1) Regime:

S1 – Primeiro Semestre/ First Semester

S2 – Segundo Semestre/ Second Semester

A – Anual/ Annual

A(*) - Dado que esta unidade curricular é anual e o (a) aluno (a) frequentou apenas o 1º/ 2º semestre na nossa instituição, foi-lhe excepcionalmente permitido frequentar a primeira/ segunda parte da unidade curricular e obter os créditos ECTS correspondentes. / As this course unit is annual and the student was only performing the first/second semester at our institution, (s)he was exceptionally allowed to attend the first part and achieve the correspondent ECTS credits.

(2) Descrição do Sistema de Avaliação/ Description of the Institutional Grading System:

O resultado obtido numa unidade curricular é expresso numericamente numa escala de 0 a 20 valores. A nota mínima de aprovação é 10. / The result achieved in a course unit is generally expressed in a 0 to 20 grading scale. The lowest passing grade is 10.

R – Reprovado/ Failed

F – Faltou/ Absent

(3) Escala de Classificação ECTS/ ECTS Grading Scale:

Escala ECTS/ ECTS Scale	% de estudantes aprovados/ % of successful students normally achieving the grade	Características/ Definition
A	10	
B	25	
C	30	
D	25	
E	10	
FX	-	INSUFICIENTE/ FAIL – precisa de trabalhar mais para o crédito poder ser concedido/ some more work required before the credit can be awarded
F	-	REPROVADO/ FAIL – precisa de trabalhar muito mais/ considerable further work is required.

Para fixação das classificações das unidades curriculares abrangidas por cada uma das classes da escala ECTS, considerou-se a distribuição dos estudantes aprovados nessa unidade curricular no conjunto dos cinco anos letivos anteriores àquele em que o(a) aluno(a) obteve aproveitamento, e/ou num total de, pelo menos, 30 estudantes. Na impossibilidade de atingir a dimensão da amostra, a utilização da escala ECTS é substituída pela aplicação de uma tabela institucional construída com base nos dados de todas as unidades curriculares, de todos os cursos da Universidade do Minho, nos cinco anos letivos anteriores. De notar que nem todas as classificações da escala ECTS poderão estar representadas. / In order to establish the course units grades for each group of the ECTS grading scale, the distribution of students with passes in the previous five academic years and/or in a total of at least thirty students is taken into consideration. When a cohort of this scale is impossible, the ECTS grading scale is replaced by the use of an institutional conversion table based on all course units grades of all Universidade do Minho's Degree Courses from the previous five academic years. It is important to notice that not all groups of the ECTS grading scale might be represented.

(4) Créditos ECTS/ ECTS Credits:

1 Ano Lectivo/ 1 Full Academic Year = 60

1 Semestre/ 1 Semester = 30

1 Período/Trimestre/ 1 Term/Trimester = 20
