SUPERVISING ADMINISTRATIVE OFFICER

One collegiate unit of credit is one hour lecture or recitation each week or a total of 18 hours in a semester. The hours of laboratory work, drafting, or a shop work each week or a total of 54 hours a semester are regarded as equivalent also to one unit of credit.

The semestral average of a student is computed by multiplying the number of units assigned to a course by the grade earned and the product divided by the total units earned for the semester.
