TRANSCRIPT GUIDE

Student records are confidential and information is released only at the request of the student or of appropriate institutions [provided an authority to release is issued by the student]. "Partial" transcripts are not issued. Official transcripts of records obtained from other institutions and which have been submitted to the University for admission and/or transfer of credit become part of the student's permanent record and are issued as certified copies with the UP transcript.

Application for transcript of records should be accompanied by a university clearance. University clearance should be applied for immediately after the last term of enrolment.

Transcript Entries

Courses taken in UPOU, cross-enrolled in other Constituent Units (CUs); Advance Placement Examination (APE), Advance Credits Awarded, and Proficiency Examination in Physical Education (PEPE) appear in the Transcript of Records.

Advance Placement Examination (APE)

New first-year students who qualify for and pass the prescribed advance placement examination in basic courses in the first year, such as languages, mathematics, and others within one (1) year of their enrolment in the University, shall be given credit for the corresponding subjects in their academic program provided that this privilege is not given for more than six (6) units in any one discipline.

Holders of the International Baccalaureate (IB) diploma/certificate may apply for advance credit for certain subjects they have taken. However, the total credit that may be granted, including automatic credit, shall not exceed 15 units per subject area.

Proficiency Examination in Physical Education (PEPE)

Proficiency examinations (or credit by examination) in PE courses are given to enable students who are already skillful in one (1) or more sports to acquire advanced units in PE. Students who pass a PEPE shall be given credit for the corresponding PE course. Students may take proficiency examinations in one (1) or more courses to meet the PE requirements. The examination is given twice a year before the start of every semester.

Validation for Advanced Credits

A transfer student admitted with less than 66 units of coursework must validate all the courses he/she is applying for advanced credits at the rate of 18 units a semester within a period not exceeding three (3) semesters from the date of admission.

Academic Calendar

The Academic Calendar is divided into two semesters of at least 16 weeks each, exclusive of registration and final examination period. Each semester consists of at least 100 class days.

A midyear session of 6 weeks follows the second semester. Classwork in the summer session is equivalent to classwork in one (1) semester.

Effective Academic Year 2014-2015, the first term semester begins in August, the second term semester in December, and the third term in April. Prior to this, the first term begins in April, the second term semester in August, and the third term in December.

All academic units in UP Open University operate under the semestral system, except for the Associate degree and Bachelor degree programs offered by the Faculty of Education (FE), Faculty of Information and Communication Studies (FICS), and the Faculty of Management and Development Studies (FMDS); and the Graduate Certificate in Distance Education and the Master of Distance Education degree programs of FE which are all under the trimestral system.

Special Order Number

The University of the Philippines, the National University by virtue of R.A. 9500, operates under a University Charter. Graduation of students does not require confirmation by the Commission on Higher Education (CHED); thus, the University does not issue a Special Order No. to its graduates.

Authenticity

The copy of the Transcript of Records is an exact reproduction of the transcript on file with the Office of the University Registrar and is considered as a copy of the original when it bears the dry seal of the University and the original signature of the University Registrar or a Security Signature Stamper. The use of the stamper was approved by the Board of Regents at its 1303rd meeting held on 26 November 2014 and implemented effective January 2015.

Any erasure or alteration made on this copy renders the whole transcript spurious and invalid.

Credit Unit

The unit is the semester hour. A three (3) - unit course, therefore has a total of three hours of instruction per week, or a total of 48 hours of instruction per semester.

In the online and distance education mode, one credit unit covers at least 16 semester hours of instruction in the residential mode, which is equivalent to individual reading and study learning materials, tutorials, a combination of both, or any form of distance learning method. Laboratory, field or shop work is credited at one unit for work equivalent to three hours.

Courses with units enclosed in parenthesis such as PE and NSTP are not included in the computation of the General Weighted Average and units earned.

Medium of Instruction

The medium of instruction of the University is generally in English.

Honorable Dismissal

Honorable Dismissal is voluntary withdrawal from the University. The petition for honorable dismissal is granted to a student in good standing upon settlement of accountabilities in the University and approval by the University Registrar.

A statement that the student has been dropped from the rolls due to poor standing may be added to the honorable dismissal certification.

Honorable dismissal is not issued to a student who has graduated from the University and to a student who was expelled due to disciplinary action.

Transfer Credentials/COPY FOR:

A Transcript of Records (TOR) with the notation "COPY FOR: (name of school)" means that the University has transferred the records of the student to the receiving school.

The University can only issue another copy of the TOR to the student upon submission of a "No Objection Letter" issued by the school where the student is currently enrolled.

National Service Training Program (NSTP)

Republic Act 9163, known as the NSTP Act of 2001, mandates State Universities to offer Reserve Officers' Training Corps (ROTC) and its components such as Literacy Training Service (LTS) and Civic Welfare Training Service (CWTS).

Rule III, Section 4(c) of the Implementing Rules and Regulations of R.A. 9163 issued on 13 November 2009 requires completion of a 25-hour common module prior to taking up a particular NSTP component.

All students enrolled in any baccalaureate or in at least two (2) year technical/vocational or associate courses are required to complete the equivalent of two (2) semesters of any of the above components as a requisite for graduation.

R.A. 9163, however, waived the requirements of ROTC prior to graduation of students who have finished all academic requirements on or before the 2nd Semester AY 2001-2002. Students may be graduated as of 2nd Semester AY 2001-2002 after application for graduation and without the required one-year residence.
