

The Faculty
of Forest Sciences and Forest Ecology
Georg-August-Universität Göttingen

awards
under the President
Prof. Dr. rer. physiol. Dr. h. c. Ulrike Beisiegel

Mr. Dennis P. Peque

born in Cebu City, Philippines

the degree of "Doctor of Philosophy (PhD)".

He has proved pursuant to the regulations by
successful completion of a doctoral thesis

**"Rare tree species in remnant forests and nurseries
across the Visayas, Philippines"**

and an oral defense (disputation) on 11th September 2014
his scientific competence and thereby reached the final grade

"cum laude"

Göttingen, 17th September 2014

Academic Transcript - Master of Science

Mr. **Dennis Pepue**

Date of birth: **September 20, 1972**

Place of birth: **Cebu City / Philippinen**

has passed the required examinations in Forest Sciences and Forest Ecology, specialization: „Tropical and International Forestry“ with the overall grade **1,5 = very good**.

Compulsory courses	evaluation	Credits
Biometric data analysis; sampling methods	2,3 = good	6,0
Ecopedology of the tropics and subtropics	2,8 = satisfactory	6,0
Forest development policy	2,0 = good	6,0
Forest inventory	1,3 = very good	6,0
Forest utilization and wood processing	2,3 = good	6,0
International forest economics	1,8 = good	6,0
Project 2: Managing sustainable forestry systems	1,5 = very good	12,0
Project planning, management and evaluation	2,7 = satisfactory	6,0
Tropical forest ecology and silviculture	1,3 = very good	6,0

Compulsory elective courses	evaluation	Credits
Applications of remote sensing and GIS	2,0 = good	6,0
Bioclimatology and global change	1,0 = very good	6,0
Forestry in germany	2,0 = good	6,0
Remote sensing image processing with open source software	1,0 = very good	6,0
Tropical dendrology and wood science	1,1 = very good	6,0

Master thesis	evaluation	Credits
“Adaptive cluster sampling for the assessment of sparse populations of trees – a case study in Leyte, Philippines”	1,0 = very good	30,0

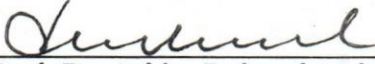

Examination gradings: very good, good, satisfactory, sufficient
