One collegiate unit of credit is one hour lecture or recitation each week or total of 18 hours in a semester.
Three hours laboratory work, drafting, or a shop work each week or a total of 54 hours a semester are
regarded as equivalent also to one unit of credit.

The semestral average grade of a student is computed by multiplying the number of units assigned to a
course by the grade earned and the product divided by the total units earned for the semester.
