One(1) collegiate unit of credit is one(1) hour of lecture or recitation each week or a total of eighteen (18) hours in a semester. Three(3) hours of laboratory work, drafting or shop work each week or a total of fifty-four (54) hours in a semester are regarded as equivalent also to one (1) unit of credit.

The semester average grade of a student is computed by multiplying the number of units assigned to a course by the grade earned and the products divided by the total units earned for the semester.

The student is in GOOD STANDING unless otherwise indicated on the transcript.
