Quality points are weighed by the number of units assigned to a course that is the number of units is considered in computing graduation averages and honors.

A grade of "Inc" (Incomplete) indicates that the student has not completed all the assigned work for the course. An "Inc" must be completed within the following term in the semester in which the course was taken; otherwise the grade automatically becomes "NC" for "No Credit", or "NG" for "No Grade".

The letter "W" shows that the student has dropped a course with the written permission of his Dean or Principal. If a student drops a course without the permission of his Dean, the grade for the course automatically becomes "F". "WF" is recorded when a student officially withdraws the course but is failing at the time the withdrawal was made.
