NC for No Credit

"W" withdrawn with official notice

Final grade which does not earn credit nor indicate failure given in those cases where the student did not take the final examination in the subject, but his/her performance was not considered satisfactory enough to merit a final passing grade in spite of absence from the final examination. Such a grade is permanent and cannot be changed subsequently.

TRANSCRIPT REGULATIONS

Student records are confidential and information is released at the request of the student or of appropriate institutions. Partial transcripts are not issued. Official transcripts of credit obtained from other institutions and which have been presented to the University for admission or for transfer of credit become a part of the student's permanent record and are re-issued only as true copies.

The transcript, certification, documentary stamps fees and other incidental expenses will be assessed at the time of the application and must be paid through the Finance Office of the University before these documents are issued to the students.

The school records should not be given to any person unless authorized by the Registrar.

One collegiate unit of credit is one hour lecture or recitation each week or a total of 15 hours in a semester. Three hours of laboratory work, drafting, or a shop work each week is equal to 54 hours a semester are required.

The semester average is computed by multiplying the grade assigned to a course by the credit earned and the product divided by the total units earned for the semester.

The student is in GOOD STANDING unless otherwise indicated in the transcript.
