DR. EDGARDO E. TULIN
President
Visayas State University
Baybay City, Leyte

Dear Dr. Tulin:

I would like to inform your good office that I am applying for retirement from the university effective January 1, 2023, just to complete the fiscal year 2022. I will turn 62 on January 29, 2023.

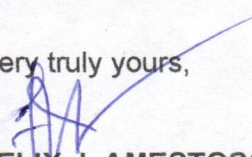

I would like also to take this opportunity to express my gratitude to the Department of Food Science and Technology (DFST) in particular and to the university in general, for all the favors and benefits given to me during the whole period since I started working in 1983 especially during my medical crises. They were indeed times where I experienced the family-oriented culture and the generosity of the many in-campus and out-of-campus colleagues and alumni which overflowed to meet the special needs of my family. At present, my family is doing well and will be forever grateful for how God has allowed us to spend the early years of our family life in this beautiful campus with beautiful-hearted people.

It is a pleasure and a meaningful experience working with you and all our colleagues in VSU.

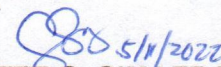

May the Lord continue to bless VSU with sustained progress amidst the current global disturbances. God bless us all!

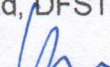

Thank you so much!

Very truly yours,

FELIX J. AMESTOSO
DFST Faculty
