Memorandum Circular No. 11

Series of 2015

TO : All Concerned

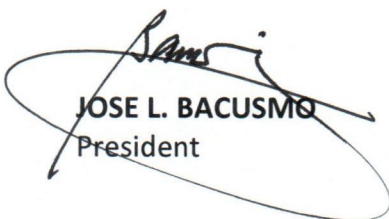

RE : Designated areas for skate/long boarding activity

It has been observed that enthusiasts for skate/long boarding as a recreational/sport activity in the campus is increasing. The administration is concerned on the safety for the enthusiasts, the public and VSU properties since skateboarders pose a risk to other pedestrians and traffic.

In this connection, please be informed that the designated areas for skate/long boarding activity will be at the roads from Department of Animal Science rodeo arena to the Philippine Carabao Center (PCC), gym to PCC, between the athletic oval and gym, and gym parking lot. The riders should wear appropriate protective gears also.

Security guards are directed to confiscate the skate/long board and stop anyone skateboarding in locations other than the designated areas or those not wearing protective gears especially the helmet. VSU will not be held liable in the event of accidents due to skate/long boarding inside the VSU campus.

Please be guided accordingly.

JOSE L. BACUSMO
President
