**Proposal to Increase the Cost of School Fees (Peso)
for Graduate Students for SY 2004-2005 to 2005-2006**

RATIONALE

The decrease in the government's subsidy to State Colleges and Universities (SCU) as reflected in the yearly reduction of the MOOE necessitates the generation of university income to augment its financial need. Further, the Commission on Higher Education (CHED) and Department of Budget and Management (DBM) indicated that Higher Education must pay for itself, thus be self-liquidating. It is therefore imperative under the present situation, that tuition fee be increased effective school year 2004-2005 to support the financial needs of the university.
