

LEYTE STATE UNIVERSITY

6521-A Visca, Baybay, Leyte, Philippines

Office of the University President

---

16 March 2004

The Honorable Chairman and  
Members of the LSU Board of Regents

*Ladies/Gentlemen:*

I am hereby endorsing the **“Request of the of Department of Family and Consumer Sciences to Adopt the Existing Prof Ed Offered at the Department of Science Education”**. The said request was passed through channels and reviewed by the University Academic Council during its meeting on March 9, 2004.

I am, therefore, recommending the same **FOR CONFIRMATION** by the Board of Regents.

Very truly yours,

  
PACIENCIA P. MILAN  
President

DEPARTMENT OF FAMILY AND CONSUMER SCIENCES

February 11, 2004

Dr. Paciencia P. Milan  
President  
LSU, Visca, Baybay, Leyte

Thru: Dr. Manuel K. Palomar  
Vice President for Academic Affairs  
LSU, Visca, Baybay, Leyte

Dear Madam President:

In view of the conversion of the BS in Ag. Education curriculum into Bachelor in Secondary Education and Bachelor in Elementary Education, and the subsequent change in course nomenclatures, titles and description of education courses, the Department of Family and Consumer Sciences would like to request for the adoption of existing professional education subjects taken by BSEED/BEED students in lieu of the old education courses. The move is necessary to avoid proliferation of courses and to minimize administrative cost in offering similar or related subjects. Moreover, it allows for continuity of professional education courses already taken by BSHE II students starting 1<sup>st</sup> semester, 2003-2004.

We hope this request merits your approval.

Thank you.

Very truly yours,

*Eunice I. Beray*  
EUNICE I. BERAY  
Head, DFCS

February 24, 2004

Dr. Paciencia P. Milan  
President  
Leyte State University

Thru: Dr. Manuel K. Palomar  
Vice President for Academic Affairs  
LSU, Visca, Baybay, Leyte

Dear Madam President:

The original proposal submitted by the Dept. of Family and Consumer Sciences to the University Curriculum Committee for review was a combination of adoption of existing courses (6 subjects) and change of course codes (two letter to four letter) (25 subjects) of the course offerings. The former was not merely a change from Educ to Prof Ed but the committee found that some descriptive titles and Course Number were also different. Meanwhile, it was also learned by the committee that the department is presently pursuing general revision of its BSHE curriculum, thus in the light of these developments, the committee advised the department chairman to do two things: 1) Write a letter addressed to the President thru channels for adoption of existing Prof Ed courses which are already offered at the Dept. of Science Education in lieu of the old Educ courses, hence this letter; and 2) Incorporate the changes in course codes from two letter to four letter to the proposal which is now under revision.

Very truly yours,

  
Edgardo E. Tulin  
Chairperson  
University Curriculum Committee
