BOR RESOLUTION NO. 21, s. 2008

**A RESOLUTION APPROVING THE
INCREASE OF MEDICAL AND DENTAL RATES
AND TO LEVY A MINIMAL CONSULTATION FEE**

WHEREAS, the University Health Services Unit is endeavoring to improve on the delivery of vital health services to University constituents including residents of outlying communities;

WHEREAS, the University Health Services Unit has complied with the standards set by the Department of Health (DOH) that resulted in the reclassification of the said University Health Services Unit from Infirmary to Level 1 General Hospital;

WHEREAS, the recent upgrading of the facilities and equipment of the said University Health Services Unit has resulted in enhancing its capacity to admit more patients as well as in the creation of a more systematic record keeping system;

WHEREAS, the attainment of Level 1 General hospital has legitimized the services that the University Infirmary has been providing to its patients;

WHEREAS, the University Health Services Unit also serves as support to the BSc Nursing program of the University by serving as pre-training facility for BSc. Nursing students;

WHEREAS, the increasing prices of medical supplies and materials has made it imperative for the University Health Services Unit to request for a corresponding increase in its medical and dental rates including the additional levy of a minimal consultation fee to maintain a dynamic operation given the decreasing government subsidy;

THEREFORE, BE IT RESOLVED AS IT IS HEREBY RESOLVED to approve the request of the University Health Services Unit to increase medical and dental rates including the additional levy of minimal consultation fees, as proposed, effective upon BOR approval.

IN WITNESS of our approval thereof, we hereby affix our signatures this 24th day of February 2008 at Naval Institute of Technology, Naval, Biliran.
