One collegiate unit of credit is one hour lecture each week or a total of 18 hours in a semester. Three hours of laboratory work, drafting, or shop work each week or a total of 54 hours a semester has an equivalent credit unit as prescribed in the Policies, Standards and Guidelines (PSGs) of the program.

The semestral grade point average (GPA) is computed by multiplying each grade by the corresponding unit per grade and dividing the sum of these products by the total number of units enrolled in the semester.
